100% Organically Grown "Magical Wines That Dance On Your Palate!"

2002 MERLOT RESERVE

Aroma:

Explosive, concentrated nose with plum, black cherry, and pomegranate fruit, herbal notes of thyme and sun-dried tomato. Laying underneath are hints of vanilla, toast and soy sauce. Very elegant and refined...

Palate:

Medium-full to full-bodied, this has an explosion of black cherry fruit, a generous mid-palate and a beautifully structured finish with youthful tannins, ample, but nicely integrated oak and lively acidity. This wine is beautiful now and can be cellared, if desired, for five to ten years.

Comments:

2002 was a normal growing season, by all accounts. Moderate Spring temperatures with even hot spells in the Summer produced well ripened, sound fruit.

Overlooking the Cachagua region of Carmel Valley, ("Cachagua" is believed to be an Indian derivative of the French "cacher" and the Spanish "agua" meaning 'hidden waters'), and framed by the dramatic surrounding hills, lie the beautiful mountain vineyards of the Heller Estate.

The 120 acres of Cabernet Sauvignon, Merlot, Cabernet Franc, Chardonnay, Chenin Blanc and Pinot Noir are planted at an altitude of 1200 - 1500 feet, producing rich, luscious grapes, which result in outstanding premium wines.

The vineyards are **certified 100% organic**. Neither herbicides nor pesticides are used in the production of the grapes. This certification was granted after three vintages of clean farming, although the vineyards have always employed organic methods throughout the years.
